One-Screen Registration

Convenient one-screen registration makes entering emergency cases quick and easy. Worklist feature is compatible with all HIS / RIS systems.

Easy Acquisition

Populate exams from a wide selection of views. Add studies, change and delete with efficiency. Suspend studies for later completion or send to PACS.

Ease of Use, Peace of Mind

Putting Innovation in Your Toolbox

Having the right tools in your tool box helps complete jobs quickly and efficiently. AMRAD Medical ATS Primo DR has all of the tools from measuring and angle tools to crop and mask all on one screen, streamlining the acquisition process.

Smart UI Touch

Fast and intuitive post processing

The Power of Touch

24" Touchscreen monitor puts the power of DR at your fingertips. Large screen delivers bright visuals in high definition. Sensitive touchscreen with faster selections for improved productivity.

Detector Specifications
